Dear Resident(s),

I'm writing to invite you to join Central Ealing Residents' Association, which since 1968 has been representing hundreds of members throughout the area. Your support, at just £7.50 per year, will further strengthen CERA as the leading voice of everybody interested in the many local issues listed below and will ensure that you receive regular newsletters like the current issue enclosed.

Our Environment

- Campaigning to preserve and restore Haven Green and other green spaces
- Lobbying for transport improvements at Ealing Broadway and West Ealing stations, together with better bus interchanges, ahead of Crossrail
- Acting to improve air quality in and around our town centre

Our Quality of Life

- Championing residents' interests with the Council and other public bodies
- Opposing late hours for the sale of alcohol by pubs, clubs and off-licences
- Helping to set the policing agenda, both borough-wide and for local ward teams

Consultations and Representations

- Advancing the priorities of our members on major town centre schemes, planning, transport, licensing and much more
- Co-ordinating many representations with other resident and amenity groups
