Dear neighbours,

We invite you to join CERA. Why? So that you can find out what's happening in your area. The local press is poorly distributed and does not cover the issues we raise, but *CERA News* will alert you to the current events that will affect us all.

Sign up to receive a newsletter regularly, support campaigns and hear from local experts at our AGMs. Your support, at just £7.50 per year per household, will further strengthen CERA as the leading voice of everyone interested in the sorts of local issues listed below.

Our environment

- campaigning to restore and preserve Haven Green and other green spaces
- lobbying for transport improvements, including cycling infrastructure provision
- looking out for pedestrians' interests amid all the redevelopment
- objecting to proposals to build on Ealing's precious green spaces and wildlife habitats

Our quality of life

- championing residents' interests with the Council, MPs, London Assembly, and other public bodies
- monitoring the proposals for '20-minute neighbourhoods' and their likely impact on residents' freedom of movement
- reporting issues relating to rubbish collection, road-sweeping, etc
- opposing late hours for the sale of alcohol in pubs, clubs, and off-licences
- helping to set the policing agenda, both borough-wide and for local ward teams

Consultations and representations

- advancing the priorities of our members on major town centre schemes, planning, transport, licensing and much more, including the Council's view that Ealing should have many more extremely tall buildings
- co-ordinating many representations with other resident and amenity groups
